Explanation of Responses:

- This amount represents the \$33.00 secondary public offering price per share of the Common Stock of the Issuer less the underwriting discount of \$1.155 per share.
- Represents the remaining 287,031 stock options from an initial grant of 362,031 stock options granted on November 25, 2014 which vest in five equal installments on each of the first five anniversaries of the grant date.
- Represents previously granted stock options which were deemed earned and acquired upon the satisfaction of certain performance vesting criteria in connection with the secondary public offering. These stock options are vested and exercisable. Does not include an additional 105,967 stock options which remain eligible to vest upon the achievement of certain performance-based vesting conditions.
